Instructions for MTM design manual
(Instructions to the customer)

1.This manual is authorized to sales department by RCMTM platform, and the sales department can market it in the market based on market conditions

2.This code "△" means standard craftmanship of RCMTM,while the code with" * "means special craftmanship for tuxedo.

3.If customer do not choose any style for one item, we will do the standard

4.The craftmanship in same item can not be chosen at the same time,say Center vent and Vent with strap can not be chosen at same time.No lapel buttonhole and Real straight lapel buttonhole can not be chosen at the same time.No slit & buttonhole and Appoint sleeve slit color can not be chosen at the same time.

5.There is no need to input the standard styles codes on system,just input the personalized style.

6.All the codes needed must be input into the system, if the existed codes can not meet customers special request, apply to the system. We will apply for you. If application gets approved, we will release new code.

7. We will design and replenish new style according to market condition and optimize existed style, update regularly

8.RCMTM reserves the right to the interpretation of terms and conditions.

9.Customer has to understand above info.and accept before using the manual.
